*** Note that:**

- Extended 90 minute sessions can only be provided by clinical psychologists and psychologists who are acknowledged by Open Arms as trained, competent and supported to provide this type of therapy.
- Therapy item number (US50) can only be claimed for the provision of prolonged exposure (PE) therapy or eye movement desensitisation reprocessing (EMDR) that requires a 90 minute extended consultation, as determined by the appropriate treatment manual. If consultations (including trauma focussed treatment) are less than 90 minutes, the appropriate item should be claimed (i.e. a 50+ minute consultation or 30-50 minute consultation).
- Therapy is to be provided in accordance with the *Australian Guidelines for the Treatment of Adults with Acute Stress Disorder and Posttraumatic Stress Disorder* (2013).
- The therapy item is not to be claimed for other treatments provided to a person with PTSD, such as psycho-education and anxiety management, drug and alcohol counselling, interpersonal therapy or psychodynamic therapy. All service delivery may be subject to Open Arms quality assurance processes, including audit.
